1991 Season Outlook

With last season's top four scorers all back in 1991, **Coach Dawn Chamberlin** will look to the forwards to lead this year's Salisbury State University field hockey team. The leader of the unit is first-team All-American **Cheryl Ish**, now seventh on the SSU career scoring list entering the season. She tallied 16 goals and five assists last year.

The senior is joined by all-South Region performer **Kristen Guttilla** (9,3), junior **Regina Zippel** (8,4) and sophomore **Edie Matthews** (8,0) on a potentially high-scoring forward line. Sophomore **Darlene Stewart**, who missed all of '90 with a knee injury, and freshmen **Christina Melander** and **Lauren Vandevisser** will also vye for playing time.

The midfield unit returns only one starter, **Tracy Wolfe**, an all-South Region selectee in 1990, but has several candidates with playing experience who are contending for jobs. Among those are **Holly Ennis** and **Tammy Whelan**, both of whom saw duty in reserve roles last year. Two freshmen, **Jennifer Glotzbach** and **Susan Porter**, could also contribute.

Two juniors, **Diane Bondulich** and **Nicki Houghton**, will help offset the loss of Vicki Conklin on defense. Both were starters last year. **Kris Hart**, **Hillary Harding** and **Jennifer Jaekel** will also be counted on for help on the backline.

The netminder's job will be filled by one of two newcomers this season: freshman **Karen McCammon** or transfer **Cindy Smith**. McCammon brings impressive high school credentials from Middletown HS in Boonsboro, MD, while Smith comes to Salisbury from Camden County (NJ) Community College.

"Our priority is finding two strong middies to complement the other talent that we have," said Chamberlin. "We've got good depth at most positions, we've got players who can score, and we have good team speed, which we can use to our advantage."

Chamberlin's squad will once again play one of the most competitive schedules in the nation. The Gulls play five teams who qualified for last year's NCAA Tournament, including national champion Trenton State and national semifinalist Messiah. They also meet most of the top squads in the South Region.

SSU Celebrating 40th Anniversary Season...1991 marks the 40th season of intercollegiate field hockey play at Salisbury State. SSU's all-time record is 286-125-45, a winning percentage of over 63 percent. The Sea Gulls have scored 1,155 goals in their 456 games, averaging 2.53 per contest all-time.

Coach

Dawn Chamberlin Head Coach

Entering her fifth year as head coach of the Salisbury State University field hockey program, Dawn Chamberlin already ranks among the most successful coaches in the school's history. During her first four seasons, the Sea Gulls have made four straight trips to the NCAA Tournament and two appearances in the Final Four, and have produced seven national All-Americans and 20 all-region players. SSU's 56-16-6 record under Chamberlin translates to a winning percentage of .720. The Gulls finished 13-4-1 in 1990 as Chamberlin was honored as the CFHCA South Region Coach-of-the-Year.

Chamberlin is a 1985 graduate of the University of Iowa, where she was a four-year letterwinner on the highly successful field hockey team. The Hawkeyes won the Big Ten championship outright from 1981 to 1983, before sharing the top spot in 1984. The '84 squad finished second in the nation. Chamberlin, Iowa's co-captain as both a junior and senior, was also a member of the national indoor championship team and was selected to the All-Big Ten team during her senior year.

While at Iowa, she also received the Women's Intercollegiate Athletic Academic Award (1982-1985) and the Physical Education Academic Achievement Award (1983-1985). Chamberlin, who also coaches the SSU women's lacrosse team in the spring, earned her Master of Education from Salisbury State in 1987. She also served as SSU's assistant coach for field hockey in 1985 and 1986.

Sea Gulls vs. '91 Opponents...Salisbury State owns an impressive 86-33-7 all-time record against the teams on this year's schedule. SSU's best mark is against Catholic (12-0-1), with other solid histories against Wesley (14-4-0), Ithaca (4-1-2), Shippensburg (5-0-0), Mary Washington (8-1-0) and Glassboro State (9-3-0). Only two opponents, Washington and Lebanon Valley, both slated to compete in this year's Sunfest Tournament, are brand new to the Sea Gull schedule.

1990 All-Americans...Three members of last year's squad earned national recognition, while two others also earned regional status. Forward **Cheryl Ish** and midfielder **Vicki Miller** were first team All-Americans, while back **Vicki Conklin** was on the second team. Forward **Kristen Guttilla** and midfielder **Tracy Wolfe** were recognized as all-South Region players.

Salisbury State University

A Reputation for Excellence

"Best Buy" in Public Education. "Smiles abound as the . . . school's endowment and reputation soar," said *The Baltimore Sun* in a front page story. *Money* magazine ranked SSU a national "best buy" in public education.

Applications triple. For 11 straight years the number of applications here has increased, countering national trends. This fall the campus received over 4,000 applications for 700 openings.

SATs up 182 points. In the same time period, SAT scores rose to among the highest in Maryland's public university system. The average 1991 freshman at SSU has well over 1,000 on the SATs and a better than B average in high school.

\$45 million investment in buildings and grounds. Splendid new architecture and a beautifully landscaped campus in the heart of Maryland's Eastern Shore have made us one of the Mid-Atlantic's most attractive universities.

Highest endowed four-year public comprehensive university in Maryland. SSU's \$10 million plus endowment means more scholarships, student travel and research funds, and more visiting scholars and artists' programs. The University has been listed in an exclusive group of 300 schools with the largest endowments for their size.
